

Watering Guidelines

Effective April 1 to October 31

Sunday & Wednesday

Residential properties with **odd**-numbered addresses (ending in 1,3,5,7,9)

Tuesday & Saturday

Residential properties with **even**-numbered addresses (ending in 2,4,6,8)

Monday & Thursday

Non-residential properties (business/HOA common areas)

Friday

No residential or business watering unless exceptions apply

- ★ Landscape watering by automatic sprinklers is **prohibited between 10am and 6pm.**
- ★ Foundations and landscaping (shrubs, trees, etc.) may be watered for up to 2 hours **any day** by **hand-held hose or soaker hose only.**
- ★ Newly planted sod may be watered more than 2 times per week for up to 30 days, but no water runoff is permitted, and watering is prohibited between 10am and 6pm.
- ★ Adjust sprinklers to **avoid overwatering** and **excessive runoff.** Check your setting to make sure you are watering on your assigned day and in the cool of the morning or night.

Summer Water Conservation Starts with YOU!

Thank you for doing your part in
conserving water in North Texas.
