

Watering Guidelines

Effective April 1 to October 31

Watering schedule - Know your Watering Days

| | |
|-------------------------------|--|
| SUNDAY & WEDNESDAY | Residential Properties with odd -numbered addresses (ending in 1,3,5,7,9) |
| TUESDAY & SATURDAY | Residential Properties with even -numbered addresses (ending in 0,2,4,6,8) or no assigned street address |
| MONDAY & THURSDAY | Non-Residential Properties (business/HOA common areas) |
| FRIDAY | No residential or business watering unless exceptions apply. |

★ If you have questions regarding exceptions to the water schedule, please contact City Hall for further information. (972) 843-8282

★ Landscape watering by automatic sprinklers **is prohibited between 10am and 6pm.**

★ Foundations and landscaping (shrubs, trees, etc.) may be watered for up to 2 hours **any day** by a **hand-held hose or soaker hose only.**

★ Newly planted sod may be watered more than 2 times per week for up to 30 days, but no water runoff is permitted, and watering is prohibited between 10am and 6 pm.

★ Adjust sprinklers to **avoid overwatering** and **excessive runoff**. Check your settings to make sure you are watering on your assigned day and in the cool of the morning or night.

★ **Thank you** for doing your part in conserving water in North Texas.
