FELIX BLANCHARD

For the past four years, you have been the driving force behind Shop With A Cop! Its heart, its vision, and its steady hands that began as your idea. Is now a tradition that has touched countless families, strengthened our community, and reminded us what service truly looks like.

Your commitment has shown up in every detail: the financial support you invested, the hours spent shopping for kids you may never meet again, the invitations you personally extended, and the organization that kept everything running seamlessly. None of it went unnoticed. You built something meaningful, something lasting, something that will continue to inspire long after your final year.

As we close this chapter, we want to honor you with our deepest appreciation. Thank you for your leadership, your generosity, and your unwavering belief in what this program could be. You didn't just start Shop With A Cop... you made it a legacy of kindness.

We are grateful beyond words. This sendoff is only a small reflection of the impact you've made.

GENERAL INFORMATION

EMPLOYEE SPOTLIGHT Barclay Vose

Sgt. Vose brings 13 years of law enforcement experience. He holds both a Master Peace Officer License and a Certificate in Mental Health. He's served with the Hunt County Sheriff's Office and the Fannin County Sheriff's Office before joining Josephine PD in 2024.

He has thoroughly enjoyed his time here in Josephine. When you see him out in the community and conversing with citizens you are truly lighting up his day. Those interactions are one of the most favorite things about being a police officer. He also enjoys the group of people he works with as they make it so much fun to come to work each day. Off duty, Sgt. Vose enjoys spending time with his family especially playing video games with his children. He loves to enjoy the solitude and freedom that hunting and fishing bring him. His presence and willingness to be there whenever needed make him one of our most dedicated and determined officers within our Josephine Police Department.
