Josephine Utility Customers

Important Notice About Online Utility Payments

The City of Josephine has been notified that our payment provider will soon re-implement additional fraud-prevention security measures for online payments.

To ensure your payments process successfully, customers will need to update any saved debit or credit cards in the payment portal.

What you need to do IF you pay by CARD for your utility bill:

1. Log into the online payment portal
2. Delete your saved card
3. Re-enter the card using the EXACT billing address and ZIP code listed with your card issuing financial institution

Payments may decline if the address does not match your bank records. This includes:

- Abbreviations (St. vs Street)
- Capitalization for State abbreviation (TX)
- Old addresses
- Only entering a ZIP code
- P.O. Box vs physical address differences

This security feature helps prevent fraudulent transactions and unauthorized use of cards.

Important:

Multiple payment attempts can cause temporary pending holds at your bank account. These are not additional charges and typically disappear within 3–5 business days depending on your bank.

The City will announce the effective date as soon as the date has been decided by the payment processing company.

Thank you for your cooperation in helping protect your account.

JOSEPHINE POLICE DEPARTMENT

The Josephine Police Department is proud to announce that Officer Arguello was recently recognized by the North Texas Police Chiefs Association as Officer of the Quarter. This distinguished honor reflects Officer Arguello's dedication, professionalism, and commitment to serving the community with excellence.

We are also pleased to welcome Cindy Vasquez, who has joined the Public Safety team as the new Public Safety Assistant.

In continued support of officer readiness and public safety, all officers of the Josephine Police Department have successfully completed CPR, First Aid, and Tactical Defense training. These certifications enhance the department's ability to respond effectively to a wide range of emergency situations.

**JOIN
NOW**

At this time, the Josephine Police Department is actively conducting interviews to fill a full-time police officer position. The department remains committed to recruiting qualified individuals who are dedicated to upholding the highest standards of service and community engagement.

JOSEPHINE FIRE DEPARTMENT

The Josephine Fire Department extends its sincere appreciation to the residents of Josephine who attended the Easter Egg Hunt on March 29th. We are grateful for the strong community participation and support, and we hope that all who attended had a phenomenal time creating lasting memories with their families.

Preparations are currently underway for the upcoming Grand Opening Ceremony of the Public Safety Building, scheduled for April 18th at 1:00 PM.

This highly anticipated event will mark a significant milestone for the community, as the new facility will serve as a central hub for public safety operations and enhance the ability of emergency personnel to effectively serve and protect residents. Community members are encouraged to attend and join in commemorating this important occasion.

JOSEPHINE PUBLIC WORKS DEPARTMENT

Park restroom facilities are open for the season for public use. Additionally, park areas have been backfilled and thoroughly cleaned to improve safety and appearance for residents and visitors.

The Greenville Project is currently in its final stages and is nearing completion, representing a significant advancement in the City's infrastructure initiatives.

The Public Works Department is actively conducting interviews for Wastewater and Water Operator positions, as part of its continued effort to strengthen essential utility services and maintain high operational standards.

Looking ahead, the Texas Department of Transportation is scheduled to begin a project along FM 1777 that will reconstruct the existing two-lane roadway and include the addition of three-foot-wide shoulders on each side. This project is expected to improve roadway safety and enhance traffic flow in the area.

Upcoming Roadway Construction – CR 642 –

Road Closure Notice

Construction will take place impacting through traffic on **County Road 642**. Please plan alternate routes during this closure period to ensure smooth travel.

March 25 – April 8 Closure Dates

Stay informed and help spread the word about the upcoming construction and road closure!

GENERAL INFORMATION

EMPLOYEE SPOTLIGHT: Christopher Bigby

Officer Christopher Bigby began his service with the Josephine Police Department in April 2024. This month's spotlight is particularly noteworthy as it coincides with the celebration of his two-year anniversary with the department. Officer Bigby holds a Bachelor of Science in Public Safety from the University of North Texas. He is a certified Mental Health Peace Officer and has earned his Intermediate Peace Officer License.

Prior to joining the City of Josephine, Officer Bigby served with the Dallas County Sheriff's Office, where he began his law enforcement career. He also honorably served as a paratrooper in the United States Army.

Outside of his professional duties, Officer Bigby is an avid baseball enthusiast and a devoted fan of the Texas Rangers. Like many long-time supporters, he counts November 1, 2023, as an unforgettable moment in the team's history. He also enjoys a wide range of outdoor activities in his free time. Officer Bigby expresses deep appreciation for his experience serving the City of Josephine. He shared the following reflection:

"Working for the City of Josephine has been overwhelmingly positive and rewarding. I have been able to grow within the department and the city as a whole. The city itself, and the citizens who call it home, have shown a brighter side to law enforcement that not all officers have the opportunity to experience. The community in Josephine is kind and supportive, and I could not ask to serve a better city. The trust our citizens place in us by greeting us with a wave, welcoming us into their homes for food or a drink even when no call is active is truly remarkable! I am grateful to work for, and interact with, the citizens of Josephine."

Mosquito Spraying Notice

Monday, March 23, 2026

The City will begin mosquito spraying on all streets within city limits.

Spraying will occur every Monday around dusk until further notice to help reduce mosquito activity throughout the community.

The spraying process uses cold fogging, which disperses into the air and can reach up to 300 feet for effective coverage.

There is no danger to pets from the spraying. However, as a precaution, residents may choose to bring pets and pet food bowls indoors during spraying times.

The cold fog treatment is safe and effective.

Thank you for helping us keep our community comfortable and safe.
