GENERAL INFORMATION

EMPLOYEE SPOTLIGHT: **Rowdy Atchley**

Public Works Operator Rowdy Atchley joined the City of Josephine in June 2024, arriving with determination, a strong work ethic, and the kind of dependability every department hopes for in a new team member. Rowdy quickly proved he was here not just to work, but to grow.

Rowdy has already completed the following courses: Basic Water Operator, Wastewater Collections, and Heavy Equipment Operator. His drive to learn and expand his skills have already made him a standout within the Public Works Department, and we're excited to see where his path leads next.

Before joining the City of Josephine, Rowdy served as a Concrete Plant Manager, giving him firsthand knowledge of roadwork, materials, and the type of infrastructure that keeps a city running smoothly. His background knowledge has been invaluable to Josephine, making him an exceptional asset from day one. Beyond his professional strengths, Rowdy is a devoted family man and an engaged member of his community. He's been married to his wife for 15 years, and together they're raising two boys, ages 12 and 5. When he's not on the job, you can often find him coaching little league sports or enjoying the outdoors; whether it's camping, fishing, or tearing up a trail on a 4-wheeler.

Ask Rowdy what he enjoys most about working for the City of Josephine, and he doesn't hesitate: It's the positive atmosphere and unity among his coworkers. He values the opportunity to learn something new each day and takes pride in overcoming challenges as they arise.
