GENERAL INFORMATION

EMPLOYEE SPOTLIGHT Daniel Vose

Daniel's law enforcement career began in 2010 with the Hunt County Sheriff's Office, where he spent 2 years as a Patrol Deputy before becoming a K9 Handler and working in interdiction for another 4 ½ years. Daniel's love for dogs goes way back as he has been training dogs since he was a kid and now professionally for 12 years. A fun fact is he has owned a dog training business since 2014, specializing in obedience and behavior modification. When he is off duty you can find him working on one of his many interest including spray-paint art, woodworking, and going to concerts.

A little over a year ago Daniel made the decision to join the City of Josephine Police Department. He stated it was a bit of an adjustment from a county sheriff's office with a smaller jurisdiction here in Josephine it took some time for him to get used to not traveling all over the county. Daniel stated that there is a lot to love about the City of Josephine Police Department as they are a small group of officers with a wide variety of experience, he really enjoys being able to share the knowledge learned throughout his career with his fellow officers. Most of all, he enjoys serving the citizens of Josephine and strives for people in our community to know when they come to them for help, he genuinely cares about what they're going through and wants to do everything in his power to help.

Mosquito Spraying Notice

Monday, March 23, 2026

The City will begin mosquito spraying on all streets within city limits.

Spraying will occur every Monday around dusk until further notice to help reduce mosquito activity throughout the community.

The spraying process uses cold fogging, which disperses into the air and can reach up to 300 feet for effective coverage.

There is no danger to pets from the spraying. However, as a precaution, residents may choose to bring pets and pet food bowls indoors during spraying times.

The cold fog treatment is safe and effective.

Thank you for helping us keep our community comfortable and safe.
